

EUSDR STRATEGIC PROJECTS

Table 1: Projects identified and proposed by PA as EUSDR strategic project

<i>Title of project identified and proposed as ESDR strategic project during the reporting period</i>	<i>Date of PA (PACs/SG) meeting when the for proposing the project</i>	<i>To which PA target the project is relevant?</i>	<i>Type of project</i>	<i>Stage of the project</i>	<i>Main project activities</i>	<i>Targeted funding source for the project</i>
<i>(a)</i>	<i>(b)</i>	<i>(c)</i>	<i>(d)</i>	<i>(e)</i>	<i>(f)</i>	<i>(g)</i>
Attractive Danube	15 April 2016			Planned	The main project objective to establish a permanent common transnational platform for monitoring territorial attractiveness (CO-TAMP), 11 national platforms (TAMP), and Territorial attractiveness atlas as well as an intensive capacity building programme for empowering multilevel public authorities related to development planning resulting in enhanced skills and knowledge.	DTP
Building Capacities (B-CAP)	15 April 2016			Planned	The project combines the restoration of old buildings (in Baile Herculane, Romania) with the qualification of young and elderly unemployed according to the dual training method.	DTP
Cadastre Project	15 April 2016			Idea	Aim of this project is to make documentation about the different methods of border cadaster and land registry in all the countries of Danube Region and develop common standards for cadaster and land registry for the whole surface of	ERDF ETC

					the countries.	
Centrope	15 April 2016			Follow-up of past project(s)	The main goal of the Centrope project is to support transnational cooperation and knowledge transfer between stakeholders in the Centrope region.	ERDF ETC
City Center Renewal (CCR)	15 April 2016			Follow-up of past project	Improvement of municipal and private cooperation on renewal of neglected residential buildings. Capacity building for municipalities.	DTP
Crowdfunding to drive regional Innovation (CrowdInno)	15 April 2016			Planned	CrowdInno will enable public service providers to support spin-offs, start-ups & SMEs creating their pitching campaigns for crowdfunding. Further it will link the creative industry with the spin-offs, start-ups & SMEs in order to develop high quality pitching campaigns. Successful spin-offs, start-ups & SMEs will be ready for public/private match-funding.	Central Europe
CROWDfunding to mainSTREAM innovation	15 April 2016			Planned	See above.	DTP
Danube CapaCities	15 April 2016			Implementation	Series of workshops to increase institutional and administrative capacity.	City of Vienna
Danube Financing Dialogue (DFD)	15 April 2016			Implementation	The DFD advocates an optimistic attitude as a solid basis for the economic future of SMEs in the Danube macro-region. It also goes beyond simple events since it provides a long-term framework for discussion in a macro-region that was not	EU (MRS)

					only particularly hit by the financial and economic crisis, but also by major conflicts in the recent past. It intends to give new impetus to the already existing, but often unknown, funding sources for project promoters.	
Roma Education Fund	15 April 2016			Ongoing	Roma Education Fund's Scholarship Program for tertiary education (REF SP) provides yearly ca. 1,450 scholarships to Roma students from 16 countries.	Other
SmartDanubeLimes	15 April 2016			Planned	Sustainable, long-term preservation of the specific Danube Limes heritage – archaeological sites, monuments and landscapes, tangible as well as intangible heritage elements – in all countries along the river course for future generations by improved governance capacities and the implementation of jointly developed integrated protection and management mechanism and tools to withstand future challenges and minimize environmental and man-made risk scenarios in a comprehensive way	DTP
Danube Manager	15 April 2016			Idea	Development of public administration programmes for the Danube Region, based upon the PA10 DANTE4PA project.	Tba; Erasmus+
EcoBusiness Plan Danube	15 April 2016			Implementation	The project is based on the extensive experience of the City of Vienna with this environmental service package and will transfer the developed know-how in a	City of Vienna

					“place based approach” to selected metropolitan regions and cities in the Danube region. The transfer is based on already existing cooperation projects in the region.	
EuroAccess	15 April 2016			Implementation	Creating a website for funding information in the Danube Region.	EU (MRS)
LUMAT	15 April 2016			Planned	The implementation will be based on agreed action plans and pilot/demonstration projects for land and soil including information base and tool for the management of urban-peri-urban relationships.	Central Europe
START – Small Project Fund	15 April 2016			Implementation	Establishing a small project fund for transnational projects in the Danube Region.	EU (MRS)
Technical Assistance Facility for Danube Region Projects	15 April 2016			Implementation	Establishing a consultancy mechanism for pre-mature transnational projects in the Danube Region.	EU (MRS)
Transnational Capacity Building and Cooperation for Enhanced Employability of Marginalized Young People including Roma (TEEM)	15 April 2016			Planned	TEEM will realise a series of capacity building workshops and trainings, pilot novel approaches in each of the participating countries, involve key actors in the creation of local alliances supporting the social inclusion of marginalised groups and propose a transnational strategy promoting future initiatives financed by EU structural funds and national programmes.	DTP

Question 18: Were any of the projects included in Table 1 already approved for funding during the reporting period? If so, please complete Table 2 below with the information only for those projects.

Table 2: Proposed EUSDR strategic projects, which were approved for funding

<i>Title of project, approved for funding</i>	<i>Total amount of funding approved</i>	<i>Funding source(s) for the project</i>
<i>(a)</i>	<i>(b)</i>	<i>(c)</i>
Danube CapaCities		City of Vienna
Danube Financing Dialogue (DFD)		EU (MRS)
EcoBusiness Plan Danube		City of Vienna
EuroAccess		EU (MRS)
START – Small Project Fund		EU (MRS)
Technical Assistance Facility for Danube Region Projects		EU (MRS)
