Danube Youth Council (DYC): Involvement in PAs

- Professional background in the field of the PA is **not** a prerequisite.
- Possible ways of meaningful involvement:
 - Letting the DYC members give their input on documents, projects, processes...
 - Involving the DYC members in drafting reports, studies, agendas...
 - Inviting the DYC members to meetings, conferences, events and (if possible) giving them an active role

Mutually beneficial exchange

PAs shall profit from
gaining new, fresh
perspectives / inputs

DYC members shall profit from gaining an
insight into the daily work of the Strategy,
making their voices heard and bringing in
the perspective(s) of the young people

DYC: Long-term implementation

- Youth involvement as a horizontal priority in the 2023-2028 PAC projects
- The endorsed financing concept foresees that the **on-site participation of 1 selected DYC member in 1 SG meeting per PA per year** shall be funded via the PAC budgets (travel & accommodation costs for 1 person per year).
 - Above that:
 - Online participation of DYC-members in SG meetings
- **In those cases where no budget for youth activities was foreseen at the time of the elaboration of the PAC projects, it is possible to shift budget or add additional budget!**

DYC & DYON as complementary structures

- The proposal for the establishment of both DYC & DYON was elaborated by the TF DYC in 2021-2022 and endorsed by EUSDR NCs in March 2022
- **DYC:** formed of individuals who are involved in the implementation of the EUSDR; members change every few years
- **DYON:** open network of youth organisations active in the Danube Region; outreach to larger numbers of young people

Danube Youth Organisations Network (DYON)

- Online questionnaire (non-binding expression of interest) on the EUSDR website has been open since June 2023
- 07 December 2023: 47 expressions of interest received
