Danube Strategy Flagships

Why Danube Strategy Flagships?

strengthen internal and external communication of the Strategy and the visibility of the topics, initiatives and prospects in the Danube Region

illustrate the progress achieved in implementing the EUSDR and demonstrate exemplarily significant improvement in the Region that is induced by cooperation

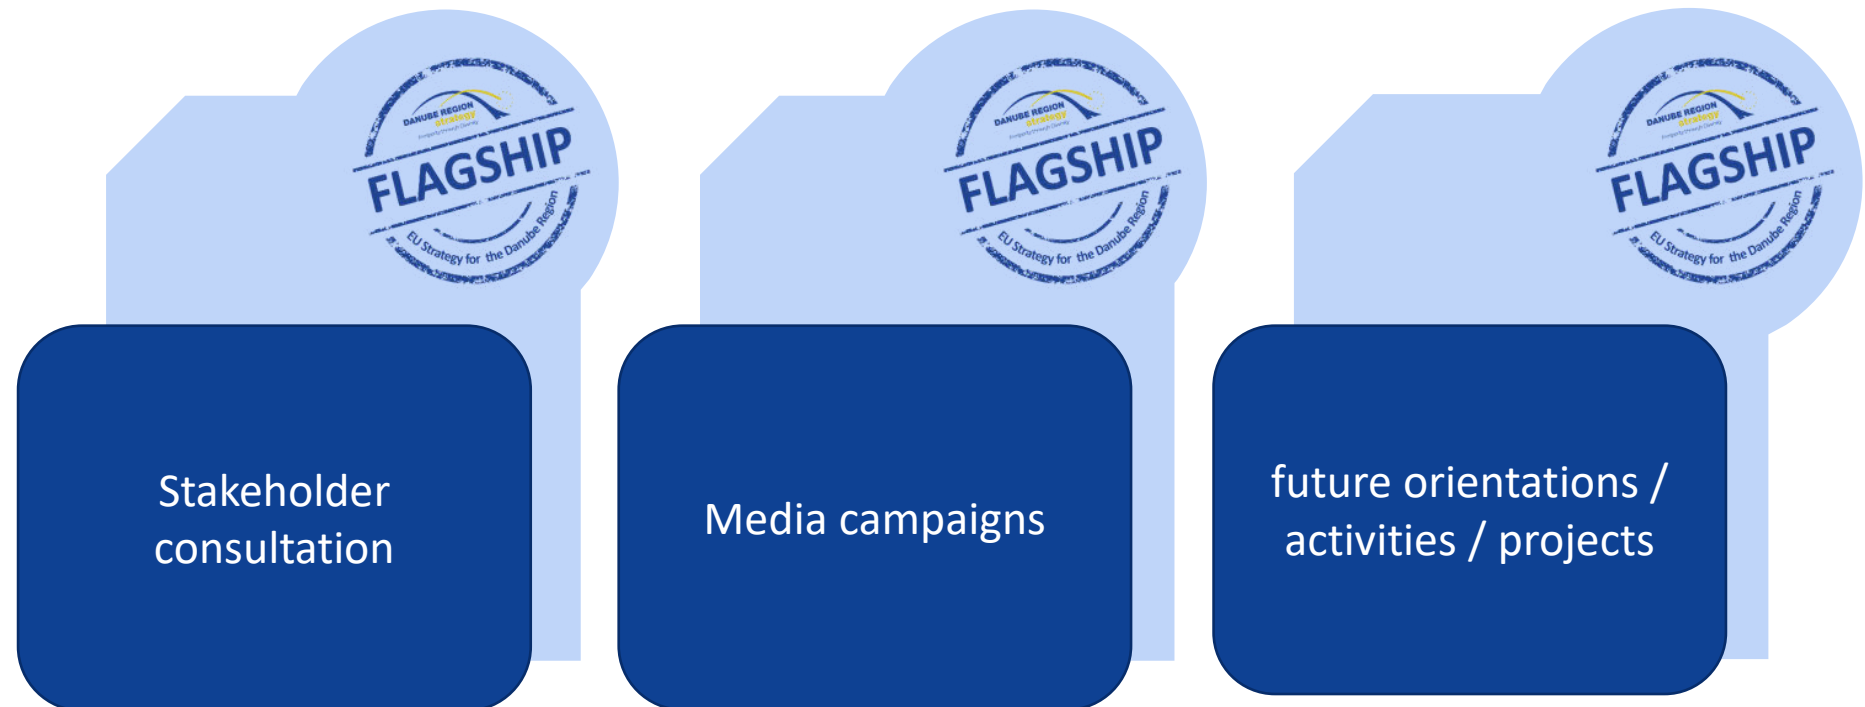

strengthening a sector or branch, generating value chains or model solutions to important common challenges faced within the Danube Region

Danube Strategy Flagships 2024

Each Priority Area (PACs with their Steering Groups) is asked to identify a **minimum of one and a maximum of three projects/processes** that are of strategic importance for implementing the PA's actions/targets

You can submit new projects/processes and/or update already labelled Danube Strategy Flagships, e.g. by adding new photos/videos, activities, results, stakeholders, changed status, etc.

The respective online form for the submission of Danube Strategy Flagships 2024 can be found [here](#) (intranet access required).

We kindly ask for the submission and/or updating of your Danube Strategy Flagship(s) via the online form until Friday, 28 June 2024.
