Online Search Tool for EU-Funds in the Danube Region

An initiative of PAC10

Julie Dalmoro

24.05.2016

EU projects, together it's easy.

www.eurovienna.at

Background & Objectives

- **What is EuroAccess?**

An online search tool which can be used to find potential and available funding possibilities for EU-projects in the Danube Region
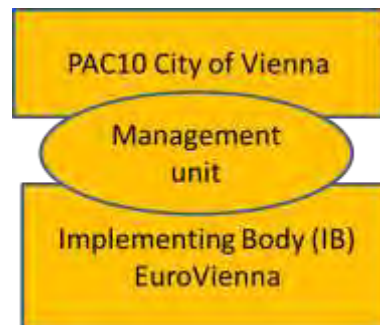

- **Background:**

EUSDR Action Plan – PA10 action 7: *„to review bottlenecks relating to the low absorption rate of EU funds and to ensure better coordination of funding"*

- 2 main reasons of the low absorption rate of EU funds in the Danube Region:
    - no central information point on EU-funds
    - limited knowledge on available EU-funds

- ➜ **Objective: to facilitate access to EU-Funds and raise the amount of EU-funded projects in the Danube Region**

- **Management Structure:**

  - **PAC10 Vienna** /City of Vienna: Beneficiary of the Commission's grant

  - **EuroVienna EU-consulting & -management GmbH**: Implementing Body
    - Key competences: Project development /
      Project management / Financial Management
    - Implementing Projects of PAC10, e.g. START, TAF-DRP
      and EuroAccess

Project Overview

Online search tool available under: www.danube-euroaccess.eu

- in **English** and **free-of-charge**

- Containing a number of **project-oriented filters**: applicant's type of organization, provenance of the applicant, funding area, thematic focus, type of funding

- Listing **Calls for proposals** under the **European Structural and Investment Programmes** (ESI) and **Action Programmes** relevant to the EUSDR in the funding period 2014-2020

- Covering **7 topics** which correspond roughly to the **priorities of the European Union in the funding period 2014-2020**: environment & climate change, science & research, education & youth & culture, health & sports, employment & social policies, infrastructure & transports, energy

Access to additional tools:

- PDF and Word Export of each call
- Funding Basket and cumulated PDF/Word Export of calls
- Newsletter informing about new published calls corresponding to individual interests

Call: Interreg Slovenia - Austria

Programme	Interreg Slovenia - Austria
Acronym	SI-AT
Type of fund	Structural Funds
Description of Programme "Interreg Slovenia - Austria"	An analysis of the border region Slovenia-Austria showed specific needs in the fields of research, small and medium sized enterprises (SMEs), environment, resource efficiency and public administration. The conceptual orientation of the CP therefore follows also the ambition of the Europe 2020 strategy with its aims at "smart, sustainable and inclusive growth". Common challenges and intervention needs shared by regions in the programme area are taken into account in order to contribute better to social, economic and territorial cohesion. Consequently, to overcome defined challenges and intervention needs, the programme strategy builds on the following thematic objectives: • Strengthening research, technological development and innovation • Preserving and protecting the environment and promoting resource efficiency • Enhancing institutional capacity of public authorities and stakeholders and efficient public administration
Link to Programme	http://www.si-at.eu/start_en/
Call	Interreg Slovenia - Austria
Description of Call "Interreg Slovenia - Austria"	The Subject of this Open Call for Proposals is co-financing of projects corresponding to the following priority axes and related specific objectives: • Priority Axis 1: Strengthening cross-border Competitiveness, Research and Innovation • Priority Axis 2: Protecting the Environment and Promoting Resource Efficiency • Priority Axis 3: Enhancing Institutional Capacity and an Efficient Public Administration Projects have to apply a result-oriented approach. The coherence of the project intervention logic (i.e. the project specific objectives, activities, outputs and expected results) with the targeted specific objective of the programme needs to be clearly demonstrated.

Link to Call	http://84.39.218.252/en2/open-call/open-call-for-projects/
