5th Danube Financing Dialogue

24 May 2016 | Bratislava, Slovakia

What is KEEP?

- Knowledge management tool including database, website, search engine and set of interfaces
- The source of aggregated information of projects and partners in Territorial cooperation / Interreg
- Covers the 2000-2006, 2007-2013 programming periods and will also include 2014-2020 period
- Currently encloses more than 17.000 projects
- All data is exportable to excel for further use
- Available for free in keep.eu

KEEP and the Danube Region

- Interact is currently collecting project and partner data of projects contributing to EU Strategy for the Danube Region
- KEEP will have EUSDR data funded by and outside Territorial cooperation / Interreg programmes
- Schedule for EUSDR data:
 - ✓ Data collection started April 2016
 - ✓ Currently the collected data is under review
 - ✓ Plan to publish EUSDR data in June 2016

How KEEP can be used for project ideas

- Search implemented projects by different thematic areas
- Look for partners involved in projects
- Check KEEP [Thematic maps](#) about the challenges in Europe and how Territorial cooperation / Interreg projects are dealing with these challenges
