Extended Online PA 10 Steering Group Meeting

The recently published revised EUSDR Action Plan and the on-going embedding process of the Danube Strategy into EU programmes 2021-2027 constitute a good opportunity to take a closer look at the actions and topics addressed under Priority Area 10 "Institutional Capacity and Cooperation". Hence, Priority Area 10 "Institutional Capacity and Cooperation" aims at presenting topics from the EUSDR Action Plan to exchange on relevant policies and projects and discuss ways forward for the next years. The "extended" online Steering Group Meetings are an online meeting format to present and discuss specific PA 10 topics within the PA 10 Steering Group as well as further relevant groups, such as working group members (Danube Local Actors Platform), National Coordinators, Priority Area Coordinators, and other stakeholders, who are active in the topic.
